**Remember: LET NO ONE STEAL YOUR DREAM**

Good day Sarepta Senior Secondary Alumni

In this time of economic hardship our Alma Mater has not been spared the challenge. Considering the educational foundation, we received at this juncture in our lives, this might be the appropriate opportunity to give back to the community we came from. Hence the call for support goes out to all learner, educator, principal and governing body member, Alumni.

An interim group consisting of educators and past learners has been assembled to kick-start an Alumni Fundraising Committee to assist our school with services, goods or finances. Should you find yourself in the fortunate position to give back time, services, goods, monetary donations or in support of the fundraising events, please contact:
