Remember : DON'T LET ANYONE STEAL YOUR DREAM

Dear Alumni's

Each year, for the past 33 years, the school has delivered committed learners who are today successful members of society.

The school is now compelled to call on ALL PAST LEARNERS, THE ALUMNI of the school, to support the school financially.

We are serving a poverty stricken community and a community that is inundated with many social challenges, but despite our learners' circumstances, many of them are striving for a better future. We make it our mission to support our learners to reach their full potential. It is our undertaking to provide our learners with the tools and resources they need to prepare them for tomorrow's workforce.

Unfortunately, because of the pandemic, we are experiencing a financial setback. The current Corona Pandemic resulted in lost opportunities to raise the funds we need to give our learners the emotional and educational support that they deserve.

Under the Disaster Management Act, the school is unable to do the necessary fundraising that is vital for the daily running of the school. The school's dire financial situation is worsened by the inability of parents to pay their school fees.

Your help is crucial and if you are able, we would greatly appreciate any donation towards maintaining the school. Rest assured that your donation will be used for a good cause. Even a small donation can go a long way in helping us.

We also ask, if you are in a position to do so, to pledge a monthly amount to support us. Remember, this pledge is voluntary and is on a goodwill basis and can be revoked at any time. Please complete the attached form should you wish to pledge any amount on a monthly basis.

Any donation can be paid directly into the school's bank account.
